

General Health and Safety Policy Statement

- To provide adequate control of health and safety risks arising from our activities;
- To consult with our members on matters affecting their health and safety;
- To provide and maintain safe plant and equipment;
- To ensure safe handling and use of substances;
- To provide information instruction and supervision of members and employees;
- To ensure all members and employees are competent to do their tasks; and undertake activities, and to give adequate training;
- To prevent accidents and cases of related ill health;
- To maintain safe and healthy working conditions; and
- To review and revise this policy as necessary at regular intervals.
